The Llano del Rio working group is an ad hoc group of artists, activists, social ecologists, and writers with a long-standing interest in the alternative infrastructure of LA.

Correspondence and requests for additional copies of this map can be addressed to llanodelriogmail.com.

Other locations that did not make it on to this map abound and include Clockshop (2805 Clearwater Street, Los Angeles 90039) and the Galan Mind (620 Pacific Avenue, Long Beach 90802). Also of interest is the Boy Mechanic, an online project mapping and archiving lesbian bars (www.theboymechnic.com).

This map is not meant for driving as it is not to scale nor absolutely accurate.
